

N.A Energy Resources Corp. (ERC) puts forward an Independent Third Party Due-Diligence Report published on its Kentucky Petroleum Limited Partnership Fund.

Kentucky Petroleum Limited Partnership project went through vigorous third party Investment analysis. The purpose of this report was to analyze the potential risk-reward characteristics of the LP units offered by Kentucky Petroleum LP.

October 25, 2011 – Today ERC releases a third party report handled on its Kentucky Petroleum fund by Fundamental Research Corp. Energy Resources retained Fundamental Research Corp to do an independent third party due-diligence report on its Kentucky Petroleum Limited Partnership project and to review its feasibility and stability. The report was not limited to but had two major focuses: One being the Financials and Corporate side of the investment offering, and secondly the operational side of the oil and gas project itself.

About FRC

Since 2003, Fundamental Research Corp has been providing the highest institutional quality equity research coverage on small and micro-cap companies through extensive distribution network. In 2009, FRC started issuing reports on exempt market securities including bond ratings, fund distribution stability ratings and valuations.
