

Energy Resources Corp. at the World Alternative Investment Conference

October 22, 2013

Energy Resource Corp. - Its Executive Management Team and Operating Partners will be exhibiting at the World Alternative Investment Conference at the the Fairmont Waterfront Vancouver on November 12, 2013

WAISC is Canada's premier alternative event when it comes to the scope, depth and breadth of its attendees, be it hedge fund managers, exempt market product providers and dealers, investors, advisors, financiers, service providers or other industry experts. Some of the topics that will be covered include: The Changing Landscape - Industry Updates on Exempt Markets and Hedge Funds Regulatory Strangulation: Proposed Changes and Their Impact on the Industry Panel Discussions on Infrastructure, MICs, REITs, Real Estate, Land Oil, Gas & Energy: Outlook 2014, 2013 Alternative Class Regulatory Update.

Investors will gain valuable insight on the above mentioned highlights from top industry experts. Energy Resources Chief Executive Officer Mehran Ehsan will be speaking on our newest oil and gas fund "Permex Petroleum LP" & "Energy Resources Investment Corp", in addition to participating on an Oil & Gas Discussion Panel.
