

**October 20, 2015**

## **Energy Resources Corp. at the World Alternative Investment Conference**

Energy Resource Corp. - Its Executive Management Team and Operating Partners will be exhibiting at the World Alternative Investment Conference at the the Fairmont Waterfront Vancouver on October 28, 2015.

WAISC is Canada's premier alternative event when it comes to the scope, depth and breadth of its attendees, be it hedge fund managers, exempt market product providers and dealers, investors, advisors, financiers, service providers or other industry experts. Some of the topics that will be covered include: The Infrastructure Investment Opportunity; Alternative Asset Management 2020; No Pain, No Gain: Analyzing Canadian Hedge Fund Managers Going Forward, and more...

### **Panel Discussions:**

Invest Pitch or My Best New Idea for Investing;

Real Assets: MICs, REITs, Real Estate, Land and Hard Assets;

Oil, Gas and Energy;

Third Party Marketing;

and more...

Investors will gain valuable insight on the above mentioned highlights from top industry experts. Energy Resources Chief Executive Officer Mehran Ehsan and Chief Operating Officer Barry Whelan will be speaking on our current oil and gas fund "Permex Petroleum LP", in addition to participating on an Oil & Gas Discussion Panel.

To find out more on this event and to participate please visit [www.waisc.com](http://www.waisc.com) or contact us directly to have a complimentary ticket reserved for you. Complimentary tickets are limited.
